Welcome Message

We are delighted to invite you to the IAP Neocon 2026 (17th Annual National Conference of IAP Neonatology Chapter), scheduled to be held on 12th, 13th and 14th June 2026 at Vijayawada, Andhra Pradesh – a city where tradition, innovation, and inspiration come together to shape the future of neonatal care.

Vijayawada, often called the “Business Capital of Andhra Pradesh,” is a vibrant city located on the banks of the Krishna River and surrounded by the scenic Eastern Ghats. It is the second-largest city in the state and a vital hub for commerce, education, politics, and culture. Known for its strategic location, Vijayawada serves as a major road and rail junction, with one of the busiest railway stations in India and excellent connectivity through National Highways 16 and 65, as well as the Vijayawada International Airport at Gannavaram.

The city is steeped in cultural and spiritual significance, with the revered Kanaka Durga Temple perched atop Indrakeeladri Hill drawing lakhs of devotees, especially during the famous Dasara festival. Its rich heritage is reflected in historic landmarks such as the Prakasam Barrage, the ancient rock-cut Undavalli Caves, and the panoramic Gandhi Hill. Bhavani Island on the Krishna River offers a refreshing leisure escape, while modern shopping complexes, multiplexes, and food streets showcase the city’s cosmopolitan side.

In recent years, the city has seen rapid urban development under the Smart City Mission, with improved infrastructure, beautified riverfronts, and plans for a metro system. Combining tradition, progress, and accessibility, Vijayawada stands as both a welcoming gateway to Andhra Pradesh and a city of opportunity.

Why Attend? IAP Neocon 2026?

Attending the IAP National Neonatology Conference in Vijayawada offers an exceptional opportunity to immerse yourself in the latest advancements, best practices, and innovations in newborn care. The conference will bring together leading neonatologists, pediatricians, researchers, and healthcare professionals from across the country, creating a vibrant platform for the exchange of knowledge and experience. Through keynote lectures, interactive workshops, and panel discussions, delegates will gain practical insights into both cutting-edge clinical developments and evidence-based approaches to improving neonatal outcomes.

This event is not just about academic enrichment—it is also a chance to network with peers, collaborate on research ideas, and connect with mentors and leaders in the field. Young professionals and trainees can benefit from presenting papers or posters, gaining recognition, constructive feedback, and potential awards for their work. Such exposure can significantly enhance professional growth and open doors to future opportunities.

Hosting the conference in Vijayawada adds a special charm. Known as the “Business Capital of Andhra Pradesh,” the city offers a warm blend of modern infrastructure and cultural heritage. Delegates can combine their academic pursuits with visits to iconic attractions such as the Kanaka Durga Temple, Prakasam Barrage, Bhavani Island, and the ancient Undavalli Caves. With its excellent connectivity by air, rail, and road, Vijayawada ensures a convenient and memorable experience for every participant.

By attending, you will not only sharpen your clinical expertise but also become part of a nationwide effort to advance neonatal care, all while enjoying the hospitality and vibrant atmosphere of one of Andhra Pradesh’s most dynamic cities.

Warm regards,
Organising Committee
IAP Neocon 2026
